→ **Coche** dans chaque tableau les cases correspondant à tes compétences en compréhension orale et écrite.

Compréhension de l'oral

Objectif

Comprendre un reportage.

Vidéo : **United in sports, 60 minutes, 2022.**

En route vers A2	J'ai mobilisé mes connaissances sur le lien entre le sport et la nation sud-africaine pour anticiper le document. <i>Rugby world cup 1995; The Springboks: the national rugby team / for white people during apartheid / Nelson Mandela used it to gather the nation / today Siya Kolisi: the captain.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai identifié les éléments clés du paratexte pour dégager du sens. United in Sports, 60 minutes = an American programme; title → union of the nation. <i>Picture: Nelson Mandela and Francois Pienaar.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai émis des hypothèses plausibles sur le document. <i>The document may be a report on rugby in South Africa in 2022. South Africa won the World Cup in 2019.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A2	J'ai repéré les principaux interlocuteurs et leur rôle. <i>Journalist / Siya Kolisi: captain of the Springboks / Francois Pienaar: former captain of the Springboks.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai compris le sport évoqué et la raison des célébrations. <i>Rugby is the main subject of this document. South Africa won the World Cup in 2019 and the whole country celebrated. It united thanks to rugby.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai globalement compris la thématique du document. <i>The report deals with the role of sport and especially rugby in South Africa.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
B1	J'ai mis en lien les informations du document dans une synthèse cohérente. <i>The video is a news report from an American programme called '60 minutes'. It deals with the positive role of rugby in South Africa. Siya Kolisi and Francois Pienaar both captained the Springboks. They explain how rugby has enabled their country to come together and unify. They have a very enthusiastic tone and Francois Pienaar's memory of Nelson Mandela is moving. Siya Kolisi wants to act for more equality in his country.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
B1+ En route vers B2	J'ai su expliquer l'objectif du document. <i>This report aims at celebrating sports and especially rugby as a tool to gather the South African nation. It shows the evolution of South Africa over the years.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Compréhension de l'écrit

Objectif

Comprendre une interview écrite.

Scott Detrow, *npr.org*, 2024.

En route vers A2	J'ai mobilisé mes connaissances sur Nelson Mandela pour anticiper le document. <i>Nelson Mandela: first black South African president; fought against apartheid and for reconciliation in his country / 27 years in prison.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai identifié la nature du document. <i>An interview published on NPR's website in 2024.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai émis des hypothèses plausibles sur le document. <i>The text may be an interview. It might be about South Africa today, 30 years after Nelson Mandela's election</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A2	J'ai identifié les interlocuteurs et leur rôle. <i>Scott Detrow: journalist for NPR. Redi Thlabi: South African journalist, interviewee.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai repéré les éléments de contexte (date et anniversaire). <i>The interview was made for the 30th anniversary of Mandela's elections. Scott Detrow wants to know Thlabi's view on the evolution of South Africa in the past 30 years and Nelson Mandela's legacy on younger generations.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
B1	J'ai compris les éléments concernant : • l'interlocuteur principal et ses enfants ; <i>Redi Thlabi has two daughters and has told them about Nelson Mandela and his role against apartheid. His children realize how important he was. They wonder why he would have been sent to prison for 27 years just for wanting equality. They have always been to multiracial schools.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	• la situation de l'Afrique du Sud aujourd'hui. <i>Redi Thlabi explains how there are still some remaining issues today in South Africa. Many people are poor and suffer from inequality. He explains that Nelson Mandela did his best but that it's everybody's responsibility to try and change things.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
B1+ En route vers B2	J'ai mis en lien les informations du document dans une synthèse cohérente. <i>The text is an excerpt from an interview by an American journalist published to mark the 30th anniversary of Mandela's election. Redi Thlabi explains how Mandela fought for the reconciliation of his country. He has talked about him to his daughters, who are curious about South Africa's difficult past. They have learnt to condemn racism. According to Thlabi, there are still remaining inequalities in South Africa and even the younger generations need to do their part to change that.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	J'ai su expliquer le problème soulevé par le journaliste et commenter la citation. <i>He explains how there has been some positive evolutions over the years but there are still some inequalities and he wants his children to play their part in the fight for social justice.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
